

Wilder-Naifeh Technical Skills Grant Information

Any Tennessee resident who is at least 18 years or older or has a high school diploma/GED is eligible to apply for the Wilder-Naifeh Technical Skills Grant.

No minimum high school grade point average is required; NO ACT test required for admission.

Up to \$2,000* per year is available for Wilder-Naifeh recipients.

Students can enroll as a full-time or part-time TTC student pursuing a diploma or certificate.

All individuals interested in applying for Wilder-Naifeh Grant need to have a FAFSA (Free Application for Federal Student Aid) processed by May 1, 2004. Applications processed after May 1 will be accepted, but preference will be given to those processed on or before May 1. **Earlier is better! Don't delay in submitting your form.**

To maintain the Wilder-Naifeh Grant students must simply maintain satisfactory academic progress (a grade of "C" or better and meet attendance requirements).

Caution! Any individual who receives the Hope Scholarship is not eligible for the Wilder-Naifeh. Hope Scholarship recipients who enroll in a community college or four year institution and drop out before completing their program cannot receive the Wilder-Naifeh Grant.

Costs at a Technology Center are significantly less than those at a four year institution or a community college. The grant may pay for up to \$2,000 annually. Current annual tuition and fees are \$ 2,169.**

* Subject to availability of funds

** Fees subject to change
